**ALEXANDER HAMILTON (1757-1804),
The Founding Father on the Ten Dollar Bill,
IS COMING TO
TRINITY CHURCH WALL STREET!**

THURSDAY, JULY 12, 2012

1:15 to 2:15 PM

Admission: FREE

Great for ages 12 to 99

Very little is taught about Alexander Hamilton in public school. Yet he is one of our top five founding fathers—second only to George Washington in the deeds he accomplished in the forming of our nation.

Come and learn about this unique and brave man who raised himself from a merchant clerk on St. Croix at the age of eleven to George Washington's trusted advisor and our first secretary of the treasury within twenty years.

Hamilton believed it was his duty to help *create a land of opportunity* for all to share!

CREATING A LAND OF OPPORTUNITY
